Hi Melanie,

The dates that work best for the Northrop Grumman team are:

March 7th works best.

March 14 or 15 work too.

Thanks!
Rebecca

Subject: Rescheduling Five-Year Site Visits for AMD 901/TRW/Offsite OU

Hi everyone,

Would you please check with the companies as to which days in February and March would work for rescheduling the Five-Year Review site visits to the AMD 901/902 and TRW sites and Offsite OU? (Including visit to pump-and-treat system equipment at Signetics)

Thanks in advance,

Melanie
